

Erik Hon Hee Siew

Managing Director, iFAST Financial India Pvt. Ltd.

Erik Hon Hee Siew is the Managing Director of iFAST Financial India Pvt Ltd, and a Director on the Board of iFAST India Holdings Pte Ltd, Singapore.

He joined iFAST Corporation Ltd in 2004 and was instrumental in designing and developing Singapore's first end-to-end software platform for financial advisers. In 2011, he took over the position of Director, Corporate Pension Services. His role involved helping multi-national companies such as BlackRock and INSEAD to setup, administer and invest in tax effective employee pension plans.

Erik was accredited in 2003 with a Bachelor of Science degree majoring in Banking and Finance from the University Of London. As part of the mandatory National Service, he was trained as a military officer and served as a staff officer for 2.5 years from 1998 to 2000.

Outside of office, he is an avid traveller and has been to 40 countries so far. He would like to time travel to the Axial Age one day.
