

Sheeba Satish

Executive Director, iFAST Financial India Pvt. Ltd.

One of the first few appointees of the Singapore-based iFAST Group in India, Sheeba was instrumental in setting up and launching iFAST Financial India in 2008-09.

Starting out as the company's Head of HR, Sheeba has grown to become a Director on the Board of the India business, as well as its holding company, iFAST India Holdings Pte Ltd.

As the Executive Director of iFAST Financial India, Sheeba is responsible for executing the company's business strategies and policies to drive organizational growth.

Directly responsible for building long term, trusting relationships with internal and external stakeholders, Sheeba plays an active role in charting the company's growth in the booming Indian FinTech space, and mapping the evolving skill sets and capabilities that will help the business retain its innovative edge.

Sheeba holds a Masters in Business Administration, majoring in Human Resources and minoring in Marketing and a Masters Degree in Commerce from the University of Mumbai. Her interests outside of work include travel and books.
